

Canada's Anti-Spam Legislation (CASL)

Canada's anti-spam legislation (CASL) came into effect July 1st, 2014. As a result, YouLearn wants to ensure that we have your consent to send you **school-related** emails, such as:

- Newsletters
- Announcements
- Field Trip Invitations
- Fundraising Campaigns
- Events

If you wish to receive electronic communications from YouLearn, you can indicate your consent on our registration form. You may withdraw your consent at any time by advising the office.

For more information on CASL, please visit the Government of Canada's website at:
