

SD53 CELL PHONE POLICY

Students will not be allowed to use personal digital devices during instructional hours unless explicitly permitted by a teacher for educational purposes.

Cell phones must not be used during class time.

Cells phones must be turned off and stored in backpacks, lockers, or at home.

Cell phones may only be used during class time with the teacher's permission and for educational purposes.

Cell phones are not permitted in hallways or bathrooms during class time.

Exceptions will be made for students with accessibility or medical needs.

Families can reach students through the school office
